

Career Exploration 8/9

Part of Career Exploration 8/9 is **learning about what interests you** and what **career opportunities** are available that match you interests.

1. Login to the MyBlueprint site (Google: myblueprint sd48).
2. Do the **Interests** and **Personality** surveys
3. Look at the survey summaries and complete the following questions:

Interests:

1. What were your top 2 **primary interest traits**? These should be given the summary of your survey.

2. For each of the interest traits above, **read the summary of each** that describes the types **occupations** that are suited for these trait. Write down **two** occupations that *might* suit each description **for each** trait.

Interest trait# 1:

Occupations:

Interest trait#2:

Occupations:

3. Read the **entire** summary and write down 3 things the summary states that you **agree with** about yourself.

4. Write down something you read in the summary that **you might not agree** with.

Personality Type:

1. What was the **personality** type that your summary suggested you might be? **See the title will be at the top of the summary.**
2. Write down the description your results *leaned* towards for the following personality traits. The write down weather or not you agree or disagree with the results of the survey.

Energy:

Example: Extraversion (disagree)

Information Gathering:

Decision Making:

Lifestyle and Structure:

3. Read the **overview** at the bottom of the summary and write down 2 things that you agree with and 2 things that you might not agree with

I agree with the notion that I'm....

I might not agree with the notion that I'm....

Career Matches

You have now “unlocked” some of your occupation matches! Cooool! The answers to your survey have helped generate a list of compatible career choices. Click on the right hand side of your “who am I page”. 

Look at the top 10 occupation matches that were generated from your survey.

You've unlocked **Occupation Matches**

Complete more surveys to improve your occupation match results

1. Write down the two that most interest you **and** the two that least interest you.
2. Now click on the  button for the two of the occupations that most interest you.
Go through the survey and **record the percent match** for each of the 2 occupations that most interest you.
3. Now click on *any* other occupations that might interest you and see what the percent match for these occupations is. If you aren't sure what one of occupation matches is, google it and find out.

Now, if you have time, Fill out the rest of the surveys. On “the who am I page”. We will look at the result of these surveys next time.
